Ladies and Gentlemen,

I would like to use this opportunity to say Thank You. Thank you for your support over the years, so much has changed professionally. But what will always stay the same is my evolvement to bring the brand and image of this professional golfer to reach new heights on a continuous basis.

Since the start of the 2012 golf season, Mellow Yellow has been my signature tagline. To me Mellow Yellow has been more than just a tagline, it captures my essences both on and off the golf course. Mellow Yellow embodies the Passion, the Determination, and the Aspiration to challenge one's own self to continue to grow and reach new heights.

In conjunction with TVera Consultants LLC, we have worked collaboratively to put together something new and are pleased to announce the launch of a brand-new website! The new website is live, and the URL is <https://www.gggolfpro.com/>

With the launch of [gggolfpro.com](https://www.gggolfpro.com/) we can reach a broader audience of current and prospective clientele, showcase corporate partners, and to spread the essence of Passion Determination Aspiration of this professional golfer that is MELLOW YELLOW.

This new website is rich in information to be used as a resource, we will continually be expanding the online content to bring you updated and relevant information, so we encourage you to bookmark it, check back often and connect with us on social media through [Facebook](#), [Instagram](#), and [LinkedIn](#) to receive notice when updates and new contents are added.

Thank You,

Gilbert Quitlong
